

Information for New Members

6-monthly walks programmes are issued: May-October and November-April, and these are sent to members by email where possible. Printed copies are handed out on walks and sent out by post to those members who have not yet received them. If you have not yet received a copy of the programme or require a printed copy, please ring the Programme Secretary – Susan Roberts – on 07889 926277 or email walksprogramme@aol.com; have your membership number to hand.

Obviously, there are changes made to the programme from time to time, and the website includes the latest changes if any. In addition to checking the website, once you are a member of Llanelli Ramblers, you can receive programme updates and other information by email if you wish. Just send your email address and your membership number to llanelli_ramblers@hotmail.co.uk and ask to be included on the mailing list
