

South West Coast Path: Devon 7th – 14th September 2019

We will be based at Pennymoor Caravan & Camping Park, Modbury, South Devon PL2 0SB

We have visited the site and were shown the static caravans and sanitary facilities. The statics are clean and modern while all aspects of the site are well maintained.

Paul, the site manager is prepared to guarantee 2018 prices for both statics and touring pitch reservations where deposits are paid before the 31st October 2018 (£100 for statics & £30 for tourers). Please mention Llanelli Ramblers when booking as he will then ensure that our group is sited together.

** **please note** that the site only has 19 static caravans available for hire**
