

## Social events 2018/19

All events were well attended this season and it has been a very successful programme. Thanks go to our Social Committee and all involved for their hard work on our behalf.

The first Social Evening of the season was a Beetle Drive ably organised by Carolyn and was enjoyed by all. The Ukulele Band was a great success in November and the Cricket Club was an excellent venue. In December, a quiz was held, with mulled wine and mince pies, and the Christmas Dinner at the Ashburnham was very well attended. In January, Hazel presented another excellent map reading evening.

The Twmpath was well attended in mid-February and the Cawl Walk took place on a very warm day at the end of February. Many thanks to Jeff and Diana for their hospitality and to Alwyn for leading the walk with Elaine and Eirwen as back markers. Approximately 90 people came on the Cawl Walk.

An interesting talk was given in March by David Mathias on the 1<sup>st</sup> World War, and 52 tickets were sold for the Skittles and Curry night at Ferryside in April where a very good time was had by all.

On 3rd July, Sonia and Geoff hosted a Strawberry Tea Party in their garden. The weather was fine and sunny and it was another very successful event.
