

‘Pop-Up’ Walks – October/November/December 2020

Following the committee meeting on 13th October 2020 it was decided to offer ‘Pop-Up’ walks within the three current local restriction zones – the ‘Health Protection Zone’ in Llanelli, The City and County of Swansea Council area and the Neath Port Talbot County Borough Council area, as well as in the areas of Carmarthenshire which were currently not under any local restrictions, subject to the availability of walk leaders living within each zone/area. The routes of such walks would be entirely within the boundaries of the individual zone/area and would be arranged by and offered to members living within the boundaries of each zone/area.

The following walks were arranged but only one took place as a ‘Firebreak’ was imposed on Wales from 23/10/2020 until the 09/11/2020.
