INSURANCE

Participants are advised to arrange their own insurance to cover any loss, damage, accident or injury to themselves or their property, as the Llanelli Group of the Ramblers' Association cannot accept responsibility. Please read the following statement from the Ramblers' Association issued on the advice of their insurance company:

"All sporting and leisure activities have inherent hazards associated with them and rambling is no exception. In spite of the safety of members always being the paramount concern, accidents will occasionally occur. It is important, therefore, that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity and take all reasonable steps to eliminate or minimise the potential for an accident to arise."
